Forecast For Wales
Issued by Met Office Exeter
at 0400 on Wednesday 29 Sep 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Sunny spells and largely dry with a few scattered showers.

Today:
A mixture of sunny spells and scattered showers throughout the day, with showers becoming fewer and further between during the afternoon. Feeling cool and breezy. Maximum temperature 15 deg C (59 deg F).

Tonight:
Any lingering daytime showers clear into the evening to leave a dry night before rain and strong winds arrive in the west through the early hours. Minimum temperature 8 deg C (46 deg F).

Thursday:
A cloudy, wet and windy day with some heavy rain at times. A risk of coastal gales, especially through the morning, with winds easing a little into the afternoon. Maximum temperature 18 deg C (64 deg F).

Outlook for Friday to Sunday:
A mixture of sunshine and showers on Friday. Becoming more unsettled on Saturday, with showers or longer spells of rain, heavy at times. Blustery showers on Sunday.
